RE: L.B. Construction Enterprises, Inc.

Dear Sharon,

Please accept this letter as a reference for **L.B. Construction Enterprises, Inc.** in consideration for nomination to the Top 100 MBE Awards for 2010.

Performance Construction Services, Inc. operates as a commercial general contractor, general trades contractor and concrete contractor and is based in Harrisburg, PA. As a new employee of PCS in 2009 my first experience with L.B. Construction Enterprises, Inc. was on several large projects that included The Commonwealth Medical College and The University of Scranton Unified Science Center, both in Scranton, PA, as well as The City Island Stadium Phase 2 in Harrisburg, PA. All three were different, complex and schedule driven projects requiring extensive planning, coordination and execution. L.B. Construction Enterprises, Inc. has been an integral part of our success on every project they have been involved with.

I highly recommend their nomination for this year's Top 100 MBE Awards.

Sincerely,

A handwritten signature in blue ink that reads "Dean Phelps".
